

Announcement: Launch of Technical Portal

We are pleased to announce the launch of our new Technical Portal as part of our ongoing efforts to enhance information services for our customers.

Upon completing user registration, you will be able to request a variety of product-related documents via the portal, including:

- SDS(Safety Data Sheet)
- RoHS, ICP Report
- EU REACH Regulation
- Non-use / Non-applicability Certificate
- chemSHERPA Data
- IMDS Data

In addition, you will be able to view the request history for previously issued documents, as well as access the UL Yellow Card listed on our corporate website.

Please access the portal from the "Technical Portal" button at the top of the screen.

How to Use the Portal

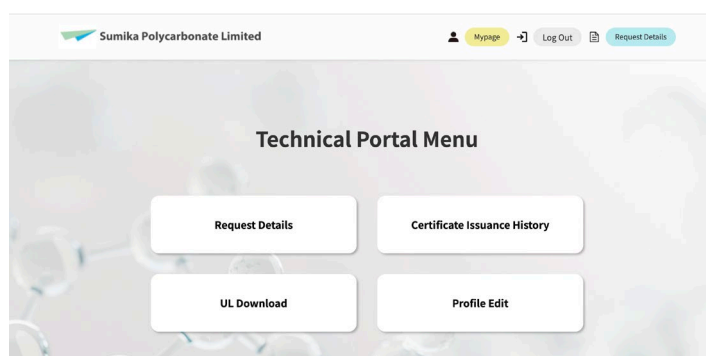

User registration (free of charge) is required to access the portal.

If you have already registered, you may log in using your registered email address and password.

After logging in, the following features are available:

- Request issuance of various certificates
- View certificate issuance history
- Download UL Yellow Card
- Edit customer information

Please follow the on-screen instructions to operate the system.
